School House 1886

# **ANNUAL REPORTS**

## **GREENFIELD, NEW HAMPSHIRE**

**1981**  
University of New Hampshire  
Library

•

- 1885 — Town bought “John Gould’s old red shop” with the land for \$275 for the purpose of enlarging the lot for the new school building. March 19, 1885, voters voted to raise \$3,000 to erect a suitable school building. Franklin Fletcher had contract to build foundation and George F. Russell had contract for erecting the building.
- 1886 — February 22nd, new school house was dedicated with appropriate program. The pupils started school in the building March 1st.
- 1955 — Land was purchased from Rodney White. A well was drilled at the school to a depth of 140 feet.
- 1968 — School district voted to join the Contoocook Valley Cooperative School District.

## TOWN WARRANT

### The State of New Hampshire

To the inhabitants of the Town of Greenfield in the County of Hillsborough in said state, qualified to vote in Town Affairs:

You are hereby notified to meet at the Meeting House in said Greenfield on Tuesday, the ninth day of March, next, at 10:00 of the clock in the forenoon, to act upon the following subjects:

Article 1A: To choose all necessary Town Officers for the year ensuing.

Article 1B: To vote by ballot on (5) amendments to the Zoning ordinance proposed by the Planning Board.

Town Meeting will recess until 7:00 P.M. Friday, March 12, 1982 when Article 1 and the remaining articles of the warrant will be acted upon.

Article 2: To raise and appropriate such sums of money for the operation and maintenance of Town Property, Old Age Assistance, Social Security, Town Officers Salaries, Town Officers Expenses, Legal Expenses, Debt Service, Insurance, Planning Board Expenses, Community Services, and any other charges arising within the Town as proposed under "Appropriations which Comprise Town Charges" printed elsewhere in this report. (See page 11)

Article 3: To see if the Town will authorize the Selectmen to borrow such sums as are necessary to defray Town charges in anticipation of taxes, or take any action relative thereto.

Article 4: To hear the reports of agents, auditors, standing committees, or other officers heretofore chosen and to pass any vote relative thereto.

Article 5: To see if the Town will vote to authorize the Selectmen to transfer and convey property acquired by the town by tax collector's deed by public auction (or advertised sealed bid) or in such other manner as determined by the Selectmen as justice may require.

Article 6: To see if the Town will vote to authorize the Selectmen to accept legacies and gifts given the Town in trust or otherwise by any individual or group of individuals, or take any action relative thereto.

Article 7: To see if the town will vote to raise and appropriate the sum of \$73,940 for the support of the Public Works Department allocated as follows:

Regular Wages	28,720
Part time and overtime	6,320
Telephone	350
Public Service	1,000
Heat	3,200
Diesel Fuel	3,000
Vehicle Maintenance	6,000

Oxygen & Acetylene	350
Gasoline	10,000
Miscellaneous	1,000
Lubricants	700
Dust Control	375
Cold Patch	1,000
Salt	3,200
Stock Pile (Sand)	6,000
Antifreeze	225
Plow & Sander Maintenance	2,500
	<hr/>
	\$73,940

or take any action relative thereto.

Article 8: To see if the Town will vote to accept and appropriate \$6,619.19 of Highway Subsidy Funds for the maintenance, construction, or reconstruction of Class V Town Roads, or take any action relative thereto.

Article 9: To see if the Town will vote to accept and appropriate the additional subsidy of \$7,438.28 as provided in Chap. 241 Sec. 15 of R.S.A. 1977 to be used in construction and reconstruction of Class V roads which shall be used to increase the highway appropriation for 1977, or take any action relative thereto.

Article 10: To see if the Town will vote to raise and appropriate \$807.08 providing the State will contribute \$5,380.51 for the construction and reconstruction and betterment of Class V roads, or take any action relative thereto. (TRA)

Article 11: To see if the Town will vote to accept and appropriate \$1,391.06 as per Chap. 241 Sec. 11, R.S.A. for maintenance of Class V highways, or take any action relative thereto. (Duncan Fund)

Article 12: To see if the Town will vote to raise and appropriate the sum of \$11,894 for the support of the Fire Department allocated as follows:

Truck & Equipment Maintenance	1,800
Mutual Aid Costs	844
Gas & Lube	600
Forest Fires	200
Training	500
Medical Supplies	200
Expense Reimbursement	1,400
Radio Repairs	300
Radio Modification	400
Chief's Salary	450
Bldg. Maintenance	400
Public Service	1,200
N.E. Telephone	400
Heating	3,000
Misc.	200
	<hr/>
	\$11,894

or take any action relative thereto.

Article 13: To see if the Town will vote to raise and appropriate \$600 toward repairs to the Railroad well and maintenance at other areas or take any action relative thereto.

Article 14: To see if the Town will vote to ask members of the New Hampshire Congressional delegation to support or co-sponsor a resolution in the U. S. Congress to:

Request the President of the United States to propose to the Soviet Union that the United States and the Soviet Union adopt a mutual freeze on the testing, production, and deployment of nuclear weapons and of missiles and new aircraft designed primarily to deliver nuclear weapons, with verification safeguards satisfactory to both countries.

or take any action relative thereto. (By petition)

Article 15: To see if the Town will vote to raise and appropriate \$21,085 for the support of the Police Department allocated as follows:

Chief's Salary	14,000
Officers' Salaries	1,300
Retirement	1,960
Medical Insurance	450
Tires for cruiser	375
Equipment	200
Telephone	100
Gas & Oil	2,000
Cruiser & Radio Maintenance	700
	<u>\$21,085</u>

or take any action relative thereto.

Article 16: To see if the Town will vote to raise and appropriate for the support of the Stephenson Memorial Library the sum of \$6,152.69 allocated as follows:

Heat	1,350.00
Electricity	490.00
Telephone	210.00
Salary (inc. Soc. Sec.)	3,515.00
Books	1,000.00
Magazines	250.00
Records	50.00
Maintenance	200.00
Programs	150.00
Supplies	250.00
Training/Dues	15.00
Miscellaneous	20.00
	<u>7,505.00</u>
Less Trust Funds	<u>1,352.31</u>
	<u>\$6152.69</u>

or take any action relative thereto.

Article 17: To see if the Town will vote to raise and appropriate the sum of \$1,500 for the support of the Recreation Program, or take any action relative thereto.

Article 18: To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972, the sum of \$5,300 for the purchase of a 1976 International Rack-bodied dump truck to be used at the Recycling Center, or take any action relative thereto.

Article 19: To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972, the sum of \$6,825 for use as a setoff against the following debt service:

1979 Loader Note Principal	\$6,000
Interest	<u>825</u>
	\$6,825

or take any action relative thereto.

Article 20: To see if the Town will vote to authorize withdrawal from the Otter Lake Fund the sum of \$12,000 to help in defraying cost of renovation of the Meeting House steeple or take any action relative thereto.

Article 21: To see if the Town will vote to raise and appropriate the sum of \$8,000 to cover the balance of the cost of renovating the Meeting House steeple referred to in Article 20, or take any action relative thereto.

Article 22: To see if the Town will vote to raise and appropriate the sum of \$10,000 to be used solely in resurfacing (sealing) approximately 3 miles of previously tarred roads in town, or take any action relative thereto.

Article 23: To see if the town will vote to raise and appropriate the sum of \$1,200 to winterize the Fire Station or take any action relative thereto.

Article 24: To see if the town will vote to raise and appropriate the sum of \$2,600 for purchase of hose, fittings and accessories for the Fire Department, or take any action relative thereto.

Article 25: To see if the town will vote to raise and appropriate the sum of \$2,550 to be used in purchasing gear and monitors for fire personnel or take any action relative thereto.

Article 26: To see if the Town will vote to go on record as supporting the adoption of a returnable container system for the State of New Hampshire. The record of the vote on this article shall be transmitted to the New Hampshire General Court, (By petition) or take any action relative thereto.

Article 27: To see if the Town will vote to authorize the Selectmen to appoint a study group, consisting of not fewer than six members, for the purpose of determining the feasibility of purchasing, or the acceptance of, the property known as the Fair Grounds, or take any action relative thereto. (By petition)

Article 28: To see if the Town will vote to authorize the Selectmen to use the money in the "Burnham Lot Fund" (approximately \$16,000) and borrow an amount not to exceed \$35,000 for the purpose of acquiring the Fair Grounds lot, or take any action relative thereto.

Article 29: To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972, the sum of \$2,400 to be used in winterizing the Fire Station and the Town Garage, or take any action relative thereto.

Article 30: To transact any other business that may legally come before this meeting, or take any action relative thereto.

Given under our hands and seal, this fifteenth day of February of our Lord nineteen hundred and eighty-two.

Zoning Ordinance as proposed by the Greenfield Planning Board.

Are you in favor of the adoption of an amendment to the Zonning Ordinance as proposed by the Greenfield Planning Board which would allow, as an exception, the commercial operation of Solar, Wind, or Water powered electrical or heat generators in Residence B District.

Voted yes      215 votes    ==    32 votes against.

Therefore the amendment has been adopted as proposed by the Greenfield Planning Board.

March 13, 1981 town meeting called to order at 7:30 p.m. by Moderator Peter Hopkins.

Pledgged allegiance to the flag was led by the Greenfield Girl Scouts. A Moment of silence was held in memory of past Selectmen George F. Shea and Waldo Stone.

Moderator gave instruction as to how the warrant should be worked on in a orderly manner during the meeting.

Moderator read the state of the vote on elected officials and the Zonning article.

Art. 2 Moved and seconded to raise and appropriate the sum of \$108,323.00 for the operation and maintenance of the Town property, Old age Assistance, Social Security Town officers salaries, Town Officers expenses, Legal expenses, Debt Services, Insurance, Planning Board expenses, Community Services, and any other chargers arising within the town as proposed under "Appropriations which comprise Town Charges". Voted in the Affirmative.

Art. 3 Moved and seconded to authorize the Selectmen to borrow such sums of money as are necessary to defray Town Charges in anticipation of taxes. Voted in the Affirmative.

Art. 4 Moved and seconded to accept article as printed. Diane Naylor reported on Recreation Committee's activities. Voted in the Affirmative.

Art. 5 Moved and seconded to authorize the Selectmen to transfer and convey property acquired by the town by tax collector's deeds, by public auction or advertised sealed bid or in such other manner as determined by the Selectmen as justice may require. Voted in the Affirmative.

Art. 6 Moved and seconded to authorize the Selectmen to accept legacies and gifts given the town in trust or otherwise by any Individual or group of Individuals. Voted in the Affirmative.

Art. 7 Moved and seconded to raise and appropriate the sum of \$59,390. for the support of the Public Works Dept. General Public works \$2,500.-Telephone \$400. -Public Service \$1,100.-Heat \$4,200. - Diesel Fuel \$2,500. Vehicle maintenance \$5,500. -Gasoline \$9,000. -Misc. \$1,400. - Lubricants \$600. -Summer wages \$10,725.- Dust Control \$375. Winter roads wages \$16,890. - Salt \$1200. Stock pile \$1,500. Plow and sander maintenance \$1,500. Voted in the affirmative.

Art. 8 Moved and seconded to appropriate the sum of \$10,840.24 subsidy highway funds for the maintenance construction or reconstruction of Class V roads. Voted in the affirmative.

**Town Meeting continued.**

**Art. 9 Moved and seconded to appropriate additional subsidy money of \$8,195.08 of Highway Subsidy Funds for the maintenance construction, or reconstruction of Class V roads, provided in chap. 241, Sec. 15 of 1977 State Laws. Voted in the Affirmative.**

**Art. 10 Moved and seconded to raise and appropriate the sum of \$811.04 provided the state gives \$5,406.93 for TRA Roads. Voted in the affirmative.**

**Art. 11 Moved and seconded to appropriate the sum of \$851.79 state money for Class V Roads "The Duncan Fund" Voted in the Affirmative.**

**Art. 12 Moved and seconded to amend this article, to increase this article to read. Raise and appropriate the sum of \$10,563.00 for the Fire Department. After Much discussion Voted in the Affirmative.**

**Art. 13 Moved and seconded to raise and appropriate the sum of \$1,200. for the repairs to the Railroad Well and maintenance at other areas. This well is water source for fire protection for the town. Voted in the affirmative.**

**Art. 14 Moved and seconded to accept a gift of 8.4+ acres of land (Tax map R-5, Lot 8.2) abutting town property from Mrs. Richard Fleck for conservation use by the town. Voted in the Affirmative.**

**Art. 15 (Petition for Secret Balloting)**  
Moderator read the article-To raise the sum of \$17,466. for the support of the Police Dept. Mr. Chas S Burrage said I amend the article to read raise and appropriate the sum of \$18,954.70 and was seconded. Much discussion. Reported where the Red Phones were located and that the difference in the amount was an increase for the Chief's salary-Special officers and state retirement was up. Also the gas was higher. Mr Burrage stated the town had received a check for \$2,100. to cover the installation of a new phone system for the Police Dept. (Would cover the installation of a new phones to tie up with the Goffstown a more direct system with the State Police, and someone is on duty at all times. The Donor is not known=a lawyer sent the c heck. Mr. Burrage stated this would be coming to the town as long as the donor was able to do so.

Mr Brooks Selectman-explained the budget in the original article was agreed to by the Selectmen and the budget Committee, which they believed was a workable budget for the Police Dept.

#2 Amendment Chester Soule moved to reduce the gas account by \$400. Shirley Burrage wanted to know if it wasn't alright for the chief to have a second job? Also Mr Burrage father of the Chief reported that one of the Red Phones was in their home at State Park.

## Town Meeting continued

Art 15 continued.

The Moderator read the #1 amendment to this article and also this was to be done by ballot. The supervisors were on duty with the checklist and the clerk gave them the ballots to pass out as they were checked off the checklist. The Clerk took care of the ballot box. The Moderator stated that if the secret ballot votes down this article there will be no monies for the Police Department. After this statement by the moderator much confusion and he was told he was wrong that this was on the amendment to the article that we were first voting on. After this the Moderator stated he was stepping down and that Judd Gregg was going to be asked to take over the meeting for this article only.

Judd Gregg-acting moderator read the article as printed in the warrant asking for the sum of \$17,466. moved and seconded. Mr Burrage Chief of Police moved to amend the article to read Raise and appropriate the sum of \$18,954.70, and was seconded. At this time Chester Soule withdrew his previous amendment on the amount of gas cost, but wasn't necessary as Mr. Gregg started the article completely over.

Mr Gregg the moderator read the amendment to raise and appropriate the sum of \$18,954.70 and bring in your ballots for same. Voters cast their paper votes, the Clerk and moderator and Selectmen counted the Yes and No paper ballots. The vote was No 49==Yes 66 votes. Therefore voted in the affirmative to raise and appropriate the sum of \$18,954.70 for the Police Department for the ensuing year. Again votes were cast including the amending to raise and appropriate the sum of \$18,954.70 the count was No vote 36 Yes vote 74. Therefore with the amendment included the article was voted in the Affirmative.

Mr Gregg before leaving the stage stated he was pleased that he had been asked to take over the meeting that it had been a pleasure, but he had been in town five or six years now and had greatly admired the way Peter Hopkins the Moderator had conducted his meetings. Mr. Gregg then turned the gavel over to Peter for the rest of the meeting.

Before starting the next article Peter stated "Before I get into another situation like this I will change my rules a little bit." When I read the article I am going to ask the Selectmen if they will move the article and that is not stating whether they are in favor or against the article=In this manner it will get the article on the floor, Then I will recognize the head of the department that is being discussed.  
(This article took two hours)

Art. 16 Moved and seconded to raise and appropriate the sum of \$5,465. for the support of the Stephenson Memorial Library. Amendment by Mr. Douglas Pierson =Moved and seconded to raise the sum of \$5,830.00 for the support of the Library. After much discussion why the Selectmen and the Budget Committee had reduced the amount the Selectmen stated it was because of the surplus of fuel oil on hand at the end of the year. cont.

Town Meeting continued  
Art. 16 continued.

The reduction had nothing to do with not giving a raise to the Librarian. The amendment was voted in the Affirmative. Now the article reads to raise and appropriate the sum of \$5,830.00 for support of the Library Voted in the Affirmative.

Art 17 Moved and seconded to raise and appropriate the sum of \$1,500. for the support of the Recreation Dept. Discussion-Question where was the \$2,500. that the town had as their share for the deal on property behind the school. Reported in a savings account at the Peterboro Savings Bank. Mr. Brooks reported the Recreation Committee has asked for \$1,500 of the sum to be paid over to the Principal of the Grade School in Greenfield for the construction of Play Ground Materials. As of todote this money hasn't been spent and is in the Principals own checking account. This was questioned as a bad policy and should have been left in the savings account until needed.

This money was raised by the Recreation Committee in giving Wing Dings and Fairs in the Past=Was not tax payers moneyand the privous members that had just resigned had done this. None of the privous members were present to talk on this matter. After more discussion the Moderator read the article to raise and appropriate the sum of \$1,500 for the support of the Recreation Committee. Voted in the Affirmative.

Art. 18 Moved and seconded to raise and appropriate the sum of \$2,000. for the hiring of a lifeguard to supervise at Sunset Lake beach. Much discussion=People had the feeling it would be a baby setting job and wasn't needed as Camp Union gives free swimming lessons for Greenfield children and has done this for years. The Greenfield State Park beac has a lifeguard on duty all day and the children can go there. Also Zephyr Lake another town beach would need a lifeguard as well as Sunset Lake beach. More to think about Insurance and the State would require more tolite facilities. The Present Recreation Committee members were not in favor of this. Voted no on this article.

Art. 19 Moved and seconded to raise and appropriate the sum of \$8,000 to repair the Meeting House Steeple. Discussion=Ben Sanford reported he had looked at the job and several boards and beams are rotted and need replacing, but the job was to much for hime to try to repair. The selectmen reported three different contractors had looked over the job and Monadnock Structors said they could do it with the help of the East Coast Steel Erectors to remove the Steeple with the Crane they have , he repair it and put back on the building in it's proper place. Mr. Dierauf questioned would Federal Funds be available to assist in paying as this is a building is now listed in the National Register.

cont.

Town Meeting continued.

Art. 19 continued

Rev. Alex Drees reported the Church Women's Fellowship will donate the sum of \$500. toward this job. Others wanted a break down as to labor and materials.

Amendment to table this job for another year wasn't seconded. Jeff Aldrich suggested the job should be put out for bids. The Selectmen stated we can't put it out for bids unless we have some money to work with. Mr. Brooks Selectman stated he hoped the people had enough confidence in their Selectmen to do the work and let it out to the best offer and spend the money wisely. Maurice Lagace stated by next year have an estimate; and suggested have a committee appointed to study this job. Cathy Frost suggested the Committee was a good idea. Amendment to table this article until next year was voted in the affirmative.

The article to raise and appropriate the sum of \$8,000. to repair the Steeple was voted down.

ART. 20 Moved and seconded to authorize the Treasurer to appoint a Deput Treasurer with the approval of the Selectmen(RSA 41:30) Discussion =this is necessary because the town needs someone to take over in case of illness etc of the Treasurer. Voted in the affirmative

Art. 21 Moved and seconded to authorize the Tax Collector to appoint a Deputy Collector with the approval of the Selectmen (RSA 41:42) Voted in the Affirmative.

Art. 22 Moved and seconded to authorize withdrawal from the Revenue Sharing Fund the sum of \$3,486. for use in repairing the Fire Department tanker. Voted in the affirmative.

Art. 23 Moved and seconded to authorize the withdrawl from the Revenue Sharing Fund the sum of \$7,155. for use as a payment on the 1979 Loader Note principal \$6,000. and interest of \$1,155. totaling \$7,155. Voted in the Affirmative.

Art. 24 Moved and seconded to transfer the title of the 1937 Chevrolet Fire Truck to the Greenfield Historial Society. Voted in the Affirmative.

Art. 25 Moved and seconded to allow the Greenfield Historial Society to provide and affix to the front of the Meeting Town House a sign indentifying it as the Meeting House. Voted in the Affirmative.

Art/ 26 Moved and seconded to deed any rights it might have to that portion of the "Old Gulf Road" contained with the bounds of property owned by Eleanor Olson (R-6, Lot 29) Mr Dierauf Planning Board Chairman presented the following amendment-To discontinue (in accordance with N. H. RSA 238:1) that portion of the "old gulf road" which begins at the point approximately 450 feet east of the junction of the present Gulf Road and Cornwell Roads, travels WNW for a distance of

cont.

Town meeting continues

Art. 26 continues.

approximately 510 feet, and which ends at the point where it meets the Cornwell road, approximately 225 feet north of the aforementioned road junction. Amendment was voted in the affirmative. The article was voted in the affirmative as amended.

Art. 27 Moved and seconded to instruct the Selectmen to issue annually the assessments of taxable property in pamphlet form, all taxable property as of April 1st of each year. All tax payers to be mailed one each year. Discussion. Jane Kellogg gave a summary of the work involved in doing this job. Reported already on the Town records to furnish one every three years. Amendment to publish only changes annually in town report Amendment voted no. Article was voted not to do it annually.

Art. 28. Moved and seconded for the town to assume the care of the Shea Cemetery, provided that a deed to same including a right of way be given the town along with funds for perpetual care. Voted in the affirmative.

Art. 29 Moved and seconded to petition the representatives and Senators who represent the Town in the General Court to support in the current session of the General Court, the concurrent resolution to amend the state constitution to limit the annual increase in property taxes to five percent and limit the annual increase spending by the state or any town or city, or other governmental unit of the state to five percent. Discussion Amendment after the words in property taxes to five percent (insert to read two thirds vote necessary of those present.) Amendment voted no==article voted no.

Art/ 30 Moved and seconded to accept article. Mr Smith withdrew this article as he was the person who had the Selectmen put it in the warrant. Scholarships for worthy students in Greenfield is already set up in Trust in the McCanna Fund. Also the Greenfield Woman's Club donates to Summer Camps for Greenfield Children. Voted to accept withdrawal of this article.

Art. 31 Moved and seconded to raise and appropriate the sum of \$2,500. for the purpose of installing a smoke and heat fire detection system in the meeting house. Voted in the affirmative.

Art. 32 Moved and seconded to authorize the tax collector to collect property taxes on a semi-annual basis. Selectmen reported this would help the town to cut down on borrowing monies to run the town. The tax collector gave a summary of the procedure- Tax bill would be mailed July 1st one half of the previous's years taxes. second billing with new rate balance of the taxes in November. Sue Roots wanted to know if the town couldn't do this starting June 1982=this was voted on and accepted, The article was voted in the affirmative that means the tax collector will receive #1 warrant June first Tax bills will be mailed by July first. cont.

Town meeting cont.

Art. 32 cont.

Tax payers will receive two tax bills per year.

Voted on in the affirmative.

Art. 33 ● Moved and seconded to withdraw this article asking for \$300 raise for the tax collector to cover added cost of semi-annual tax warrant. Voted in the Affirmative.

Art. 34 Moved and seconded to authorize the Selectmen to place \$14,011.36) proceeds of the sale of the Burnham lot, in escrow until such time as the town votes to use this money.

James Conway Fire Chief Amendment article to See if the town will vote to authorize the Selectmen to apply the net proceeds of the sale of the Burnham Lot \$14,011.36 as follows: #1 \$10,200. to the fire department to install a hose reel on Engine and effect associated upgrading of that apparatus and #2 \$3,811.36 to an escrow account until such time the town votes to use that money. Much discussion. The Selectmen were much surprised at this amendment as they knew nothing about the fire department needing extra monies. The Selectmen explained the money was in the bank in a CD Note. Would like to leave the money in escrow to earn interest =that in the near future if the town is able to secure the purchase of the Oak Park Fairgrounds=would have some money to do so with. It was suggested to devide the money between the Fire Department and what the Selectmen wanted it for. Amendment by Mr. Conway Voted no. Maurice Lagace amended it to put the money in the General Fund to reduce taxes. voted negative. Original article voted in the affirmative. Leave the money to earn interest.

Art. 35 Douglas Pierson recommended that the Select persons publish any article and proposed budgets as they are received, providing that appropriate procedures and format has been followed.

Moved and seconded to close the meeting.

Meeting close at 12:30 o'clock

Hazardous Waste Management Ordinance.

Article 1  
Section 1-

The Moderator reported that the article has five sections, and that he was going to take up each section one by one for discussion.

Edward Conley moved and the article was seconded for discussion.

Hazardous wastes shall be those as defined by the U.S. Environmental Protection Agency in its proposed regulations under section 3001 and 3002 of the Waste Disposal Act of 1976 and as said proposed regulations (including definitions) are more fully set forth in the Federal Register, Monday, December 18, 1978. Part IV, as said proposed Regulations (including definitions) may from time to time be amended and finally adopted. Hazardous waste shall also be further defined as provided for in "An Act Establishing a Hazardous Waste Management Program" Chpt 347, effective July 1, 1979 and incorporated under RSA 147-A, and as may be amended and enlarged upon by the rules and regulation of the Bureau of Solid Waste Management, as is more specifically provided for in said Act. In the advent of a Conflict between the Regulations cited, and more restrictive on shall apply. Discussion=

Bob Giesel reported that he was on the Study committee. Hazard waste is two or more chemicals together-such as battery acid, lye, paint lead etc.

Remus Macalaster reported any combination of chemicals will be considered Hazardous Waste  
Bill Roots=gave a summary of what prompted this meeting. The town to be ready if Residents or outsiders want to start a Dump within the Township.

Questioned if manure on gardens was hazardous, Mr. Smith said only to water in wells and streams, although the State doesn't list manure on the list.

Edward Conley, Selectman stated no money can be raised at this meeting.

Bill Roots, stated it's the bulk carriers and that of the Industries that we are concerned about.

Section 1. Temporary Storage.

The temporary storage of hazardous waste together with the associated treatment, bulking and handling of such hazardous waste is permitted only when it is used, manufacturing or laboratory process that takes place within the corporate limits of the Town of Greenfield. In such an event, the same shall be inventoried and stored in a building having an integral, impermeable wall and floor construction without floor drains and otherwise handled in strict conformance with all applicable Federal and State regulations governing the same.

cont.

Special Town Meeting cont.

Temporary Storage cont.

Temporary storage shall be defined as that period not to exceed six months, needed to process and acculate hazardous wastes for transportation to a Federal or State approved dumping site. The records pertaining to all storage and inventories shall be open to the Board of Selectmen and or the Fire Department of the Town of Greenfield upon reasonable request.

Discussion:

What could be used at the dump to store cans etc with hazardous waste in them or have been in them? Large drums could be used and than be moved to Wilton or where-ever.

Moved and seconded to amend this to use large drums with covers at the Dump Site for the disposal of hazardous cans & waste. When drums become full be transported to Wilton dump site. Voted in the Affirmative, on the amendment.

Section 3 Disposal==The disposal, dumping of hazardous waste. by any process or means, shall not be permitted within the corporate limits of the town of Greenfield. No discussion on this section.

Section 4 Exclusions:

Any industrial, commercial or laboratory facility production or using hazardous wastes or materials shall be specifically excluded from thos areas zoned Wetland Conservation Districts according to the Greenfield Zoning Ordinances and or classified as Zone A on the "Flood Rate Insurance Map," for the Town of Greenfield compiled by the U. S. Housing and Urban Development Dated May 1, 1980 and as may be amended at any future date. This exclusion shall also apply to facilities to be used in the temporary storage or hazardous waste.

Discussion: Stated that the zoning would relate to these areas as to building within this area. Frank Dierauf amended to read 125 feet within Wetlands for storage. Mush discussion on this amendment by Jerry Adams, Remus Macalaster and others-stating we can't be so strict. Mr Robert Smith seconded the amendment. Frank Dierauf withdrew his amendment, and Robert Smith withdrew is seconded to the amendment.

Section 5 Transportation

Hazardous waste shall be transported from within or through the corporate limits of the Town of Greenfield only by those vehicles licensed and certified by the U. S. Dept of Transportation and or the Interstate Commerce Commission and or the N. H. Public Utilities Commission for the transportation of the Particular hazardous substance or waste being transported. A vehicle shall be defined as any conveyance associated with rail as well as road transportation.

Discussion: After much discussion it seems that you would be breaking the law to transport aresol cans etc to the dump in your own car. Town would have to have a Permit for the day such cans etc would be transported to Wilton. A hand vote was taken on this matter and the count was 11 hand votes Yes and no hand votes on a no vote. The vote was for a barrel or more be at the town dump

to store the aresol cans etc.  
Section 6 Penalties:

Violation of this ordinance shall be punishable in accordance with the provisions of the Federal and or State Statutes dealing with the careless or illegal handling of hazardous wastes and materials.

Same Penalties as State and Federal agency have, Chief of Police Shep Burrage stated it is a find of \$100.00. Mr. Coke stated the Fire Chief(local) now is in charge of Hazardous materials passing through the town, until the State Fire Marshall takes over. \$100.00 is the most any town can fine any driver. Amendment for a \$1,000. fine was voted. Mr. Dierauf said leave it as it is with the State law fine. Amendment was voted down. Article one was voted in the affirmative with the amendment included and not voted down, only some of the amendments were voted down.

Art 2

To see if the town will vote to empower the Town Moderator to appoint a committee of three (3) whose duty it shall be to search the Town Records for all Town Ordinances enacted and prepare them for review and Publication or take any action thereto.

Moved and seconded to accept article as printed and voted in the affirmative.

Meeting closed at 9:55 p.m.

Attest Anna M. Chute  
Town Clerk

# TOWN CLERK'S REPORT

Ending 12-31-81

STEPHENSON MEMORIAL LIBRARY (Continued)

NOTES

1. \$40.00 extra spent on a service call for oil burner.
2. Due to the large balance on hand at the end of Fiscal Year 1980, Trustees recommended an extra \$400.00 be used to purchase books. Book budget overspent by \$257.40.
3. \$440.00 of the \$612.25 was spent on repairs to the Library bulkhead. Only \$297.00 was reimbursed by insurance coverage.
4. There were two payments for lost books - \$33.55 to the State Library and \$47.00 to the Peterborough Library - and \$7.00 Post Office Box Rental.
5. Davis fund money was spent on a set of Merit Students Encyclopedia.

1981 REPORT

The busy year for the Library began with talks by Mary Hibbard on dried flowers and George Rainier on gardening.

We had a successful summer reading program for children. The program included films, crafts, and ended with a puppet show.

Among the books purchased was a new set of encyclopedia for the children.

In the fall we had an adult movie series and sold burgandy beans and plum pudding at the Women's Club Fair.

This has also been an expensive year due to vandalism. Our largest expenditure was a \$440.00 steel bulkhead. The insurance covered \$297.00 and the cost to the Library was \$143.00.

Respectfully submitted,

ALICE SOULE  
PAMELA PIERSON  
GERALDINE MATTERN

## GREENFIELD FIRE DEPARTMENT

The Greenfield Fire Dept. answered 70 calls in 1981. The loss of one house on New Boston Rd. was the only property loss of major proportions.

The following calls were answered in 1981:

Medical Aid	22	Partition Fire	2
Chimney Fires	9	Elect. Problem	2
Mutual Aid	16	False Alarm	2
Lost Person	2	Auto Accident	1
Cover Truck	3	Auto Fire	3
Gas Spill	2	Misc.	1
Grass & Brush Fires	3		
		Total	<u>70</u>

Approximate Man Hours	908
Total Greenfield Units Responded	84
Total Mutual Aid Units from Green.	5
Cover Truck to Green.	3
Cost Per Unit Responder	\$119.00

The Rescue Squad answered 22 calls for Medical Aid. The squad is in desperate need of trained personnel. Thanks to a generous donation, a new rescue truck will be in service soon.

I wish to thank the citizens of Greenfield and members of the Fire Dept. for their help, support and cooperation given to me and the department during the past year.

Respectfully submitted,

JAMES CONWAY, Chief

## GREENFIELD POLICE DEPARTMENT

In 1981, our communications system was improved by having our Police Department emergency telephone (547-2000) answered at the Hillsborough County Dispatch center located in the Goffstown Police Department. Projected figures for 1981 indicated our emergency number received 1,137 telephone calls and our cruiser made 1,069 radio transmissions to the dispatch center. For the first time in the history of the Police Department, we now have a system that assures an answer when you call for help.

With violators of the law, 139 court cases were entered; the 137 convictions resulted in fines totalling \$6,456. 55 cases were speeding tickets, with the average offender slightly more than 20 MPH over the posted speed limit. 12 charges were for possession of beer when below the legal age; 5 cases were for possession of controlled drugs, and, very disturbing, 10 were criminal cases against juveniles of our area.

Last summer a great deal of attention was given to the town beaches. 64 carloads of non-residents were asked to leave Zephyr Beach and 61 more from Sunset Lake. The night problems at Sunset Beach were dealt with by assigning the cruiser and one officer to stationary duty at the beach after the 10:00 P.M. curfew. This enabled us to end the party and noise problems that have plagued the area in past years.

1982 looks to be a promising year. The eight of us who now make up the Department are meeting the training requirements set by the State Legislature, and we will be prepared to meet the challenges that you request of us.

Respectfully submitted.

CHARLES S. BURRAGE, Chief

## REPORT OF ANIMAL CONTROL OFFICER

A rabies clinic was again conducted at the Greenfield Fire Station with a good turn out. Unfortunately, the fire alarm went in at the start of the clinic which resulted in some slight confusion.

Throughout 1981, several out-of-town dogs were returned to their owners due to having proper tags on. A stray beagle from Deering, N.H., brought tears of joy from his master after a two-week absence. The dog showed up at the State Park as many hungry pets tend to do.

Your help is appreciated in reporting lost pets as well as found pets throughout the year. It is noted that severe thunderstorms cause animals to stray to unpredictable shelters.

Thank you for your cooperation.

Respectfully submitted,

ANN M. CONLEY  
Dog Control Officer

DEPARTMENT OF PUBLIC WORKS

DPW projects during 1981 included:

Highway Subsidy monies were used for shimming the hills on Old Mt. Road. If this had not been done, there would be nothing with which to work the following year.

A section on East Road was hot-topped, which was dug up the previous year because of poor drainage and being rough.

A catch basin and 450 ft. of 6 inch underdrain was put in on East Road to enable better water run-off.

T.R.A. monies went on the Old Mt. Road. Trees and brush were cut, stumps and stones were removed to enable the road to be widened and seven-tenths of a mile of old hot-top was dug out and removed, which left a gravel base.

This year there is a special article in the warrant for \$10,000 to be used only for sealing of tarred roads. This money will enable the Road Agent to seal three miles of road a year (estimated cost per mile \$3,000), doing the first three miles every third year. Example of this---three miles East Road-1982, sealed again in 1985. This is going by State and paving company recommendations.

Last year the Highway Dept. budget was cut \$5,000, which was fine until we received the amount of storms in the month of Dec. which accounts for the overdraft this year. There is an increase in this year's budget because of winter increase of extra sand, salt and hired part-time help. State monies have been cut back by \$5,000. Last year I used State money instead of town money but shouldn't be done this year because of the cut. Additionally, State funds have been reduced in 1982 by over \$5,000. This amount will have to be in the Town budget if roads are going to continue to be maintained in satisfactory condition.

I would like to thank the Selectmen, various committees, and the citizens of Greenfield for their cooperation this past year.

Respectfully submitted,

BRUCE GAGNON  
Supt. of Public Works

## GREENFIELD CONSERVATION COMMISSION

During the past year, we have continued working with the Planning Board in the Open Space/Recreation and Land Use subcommittees for the Master Plan. The Septic System/Soil study has been completed and submitted. Remaining to be completed are the recommendations for the regulations to be established for the protection of Greenfield's ground water supplies.

Our work on the Prime Wetlands determination was started in earnest late in the summer in spite of the fact that the State Wetlands Board had not yet published the criteria. Late in October, the Wetlands Board finally took action, and we are preparing to resume the effort in the early summer of 1982 with a goal of presenting the entire Prime Wetland System to the Town for action at the 1983 Annual Town Meeting. By law, it must be treated in the same manner as a zoning ordinance. During the past year, we have attended three workshops devoted to Prime Wetland determination and protection.

Your Commission was also instrumental in the drafting and enactment of an Hazardous Waste ordinance for the Town. Two of our members attended an all day workshop which dealt with all aspects of Hazardous Waste and its management.

We wish to thank the Greenfield Women's Club for the partial sponsoring of two Greenfield young people for the annual Conservation Camp conducted by the Association for the Preservation of New Hampshire Forests. Both of our participants felt that it was a very worth-while experience. It is our hope that this program and the sponsorship will be available again this coming summer.

Finally, after a year-and-a-half effort and a great deal of help from Congressman Judd Gregg, most of the Town is receiving rural mail delivery via RFD #1, Greenfield. We were unable to obtain the same service for those residents receiving their mail from Peterborough at that time. Now that we have our foot in the door, it will be much easier to place the entire town under RFD #1, Greenfield. Those residents on the Peterborough route desiring a Greenfield address are urged to contact a member of the Commission.

Our work with other New Hampshire and Massachusetts Conservation Commissions to the south along the 20-mile Wapack Trail and the Appalachian Mountain Club is nearing fruition, and the public relations efforts to promote the protection of this excellent hiking trail will soon be undertaken.

The planning for a Town Forest as mentioned in the 1980 Annual Report has been stalled because of more pressing matters, but our study effort will continue during the next report period.

At the request of the Selectmen, we formed a subcommittee to assist in a study of the options open to the Town for the management of our solid waste. A report of our findings was submitted to the Board for its consideration in reaching a decision.

During the past year, this Commission found it necessary to take action on a violation of the State Dredge and Fill Act. This action was the result of a report of a resident, and we are thankful for this concern, since there are parts of the Town that we do not pass through frequently enough. We urge any resident who suspects that the New Hampshire Woodland or Wetland Laws are being violated to report it to this Commission. The complaint will be investigated on a confidential basis, and the appropriate action taken. In most cases, merely explaining the law involved and its purpose is sufficient to take corrective action without involving a State Agency.

This past fall, your Commission attended a workshop at the Harris Center devoted to acid precipitation. This threat to our ecology, especially Greenfield's lakes, has received much attention of late. Studies conducted in recent years indicate that the source of the elements that, through the action of the Sun's energy, unite with hydrogen to create nitric and sulfuric acid is the industrial mid-West, and that hundreds of lakes in the Northeast are completely devoid of life because of the resulting acid precipitation borne by the prevailing westerly winds. The control of the emissions creating the problem will impact industrial profits, and, as a result, the problem has become a political football. A grant has been obtained by the NHACC to conduct a statewide study and has formed a Citizen Task Force of which your Commission is a working member. We are presently maintaining an acid precipitation monitoring station in Greenfield.

David Weir

## GREENFIELD PLANNING BOARD

Work on the Comprehensive Plan for Greenfield was intensified during 1981. Members reviewed texts and updated maps for most of its component sections, and in a series of monthly special meetings have assigned remaining writing tasks and determined organization and format. It is hoped that the plan can be made ready to present to the Town at a special meeting in the spring or early summer of 1982. The Board continues to welcome inputs and ideas from interested citizens.

As in past years the Board has been greatly aided with technical advice and the resources of the Southwest Regional Planning Commission. Frank Dierauf, having stepped down as Chairman, now serves on the Commission's executive committee. Board member David Weir was elected Secretary of the Commission.

Procedures for Planning Board review of site plans for non-residential use were documented early in the year. One such plan was approved following the required review and hearing. Others where variances were involved were referred to the Board of Adjustment.

Need was found to reprint our subdivision regulations in a more convenient format. In preparation they were extensively reviewed and minor corrections incorporated. Several substantive changes also appeared necessary, some to conform with new state legislation. These were prepared for airing at a public hearing prior to Town Meeting early in 1982. The Board approved no subdivisions during the year, but met with several parties who sought advice and information on land transfer matters.

Recent state legislation on manufactured housing brought the 1977 ordinance on mobile homes into question. As measures to preserve the historic character of the town center, zoning amendments nullifying the 1977 ordinance and substituting one designed to exclude mobile homes from the center of town were prepared for public hearings. Zoning amendments also were prepared for pre-town meeting hearings - one, to define "industry" as distinguished from "business", and the second to exclude further industrial development from the town center. Public hearings were scheduled for January, 1982 and the measures are to be submitted to voters at the 1982 town meeting.

Respectfully submitted,

Frank Dierauf, Jr., Chairman  
David Weir, Vice President  
Curtiss Howard, Secretary  
Dorothy Drake, Treasurer  
Julie Hopkins  
Jerry Adams  
Paul Brooks, Selectman

## BUDGET ADVISORY COMMITTEE

In 1981 the Greenfield Budget Committee went from an appointed Board to an elected one. Although this approach was not completely successful, a full complement of members was realized shortly after Town Meeting.

Following a precedent started late in the previous year, the current Committee met with the Board of Selectmen on a quarterly basis to review the expenditures of all Town Departments. Questions regarding high and low budget levels, extraordinary expenses, and expectations of costs were discussed. Drawing from a diversity of backgrounds, the Committee was able to approach the Selectmen and Department Heads with a variety of suggestions for cost efficiency and service improvement. Many of the ideas presented were implemented immediately, with others still under consideration.

It is the hope of this committee that, with input from all citizens, we will continue to be a year-round aid to the Town and its officials.

Respectfully submitted,

Robert Geisel, Chairman  
Maurice Lagace  
Velma Stone  
James Teates  
Dorothy Howard  
Wayne Gordon

## GREENFIELD CIVIL DEFENSE

Your local Civil Defense saw a change of Director during 1981 - from Peter Hopkins to Robert Geisel. Nationally, this position is undergoing a change of perspective from one who commands to one who coordinates. Greenfield's Civil Defense Agency is not a separate entity, but rather an activity of all government officials and department heads. The local Selectmen, Police and Fire Chiefs, rescue, DPW, health, welfare and school officials as well as the Civil Defense Director have an integral part in the emergency operations of the Town of Greenfield.

In light of this, your local civil defense is currently undergoing a revision of its Basic Emergency Management Plan as well as departmental Emergency Operations Procedures. It is also hoped that existing communications equipment can be incorporated into the State Civil Defense frequency. Special Civil Defense training exercises, coupled with those regularly scheduled by the Police and Fire Departments should enable Greenfield to be in a better state of preparedness for any emergency.

Respectfully submitted,

Robert C. Geisel, Coordinator  
Charles S. Burrage, Deputy

# VITAL STATISTICS

Deaths recorded in the Town of Greenfield, N.H. Ending 12/31/81

## TOWN JOURNAL

Greenfield is 190 years old! Greenfield was incorporated on June 15, 1791. At their Annual Meeting on June 14th, the Greenfield Historical Society commemorated this anniversary with special displays of old artifacts and a special picture program of early events in the town.

This anniversary year began with jubilation and thankful prayers for the safe return of the hostages. During January news was received that Army Private Edson M. Skinner, Jr. had completed his basic training and Ronald Ierlan left for basic training at Great Lakes Naval Station. A.D. Ronald Ierlan, aviation machinist's mate, is now assigned duty on the U.S.S. Ranger (CV-61), the eighth ship of the Fleet honoring the State of New Hampshire's Militia, Roger's Rangers, which was organized during the Revolutionary War. Former prominent residents, Frank and Charlotte Dierauf, celebrated their 70th wedding anniversary.

As everyone was looking at budgets in February, the Greenfield school was in the news. Should the cupola be repaired or removed? An item for repair was put in the Conval School budget. John Brodie was honored and received a New Hampshire School Volunteer pin as one of three outstanding volunteers in the Conval District. Mr. Brodie, for several years, has been taking small groups of Greenfield Elementary School students on field trips to Boston museums and has shared his hobbies and interests on regular visits to the school. A special party of friends helped Margaret and Remus McAllister celebrate their 45th wedding anniversary.

To open Town Meeting, the Greenfield Girl Scout Troop presented the colors and led the pledge of allegiance. A moment of silence was observed to honor the two former Selectmen who died this past year and to whom the Town Report is dedicated, George Shea and Waldo Stone. The meeting was long and adjourned after midnight; but the best news was that the balance sheet showed a surplus.

In April the country's first alternative energy commercial Wind Farm was dedicated atop Crotched Mountain. Governor Gallen was present at the ceremony as well as U.S. Representative Judd Gregg, President of Crotched Mt. Foundation, who said, "We hope this is the first breeze in a typhoon of similar alternative energy projects." Greenfield's first Easter Egg Hunt was an exciting happening for our younger population, sponsored by the Recreation Committee. Robert Caron, who teaches at Milford High School, was named New Hampshire Industrial Arts Teacher of the Year and given the award at the Youth Festival for junior and senior high students held at Keene State College.

Honors earned by the younger generation were bestowed in the merry month of May. Five Chess players of the Elementary School were winners in the State Chess Championships---Jamie Jarest, Jimmy Ferry, Eric Schneiderhan, Mike McClusky, and C.J. Pinney. Linda Sawyer was elected to the National Honor Society and Wendy Ierlan was chosen Prom Queen.

About 350 antique cars rolled through town for the Annual

Crotched Mt. Antique Show in June and the Historical Society proudly displayed our 1937 fire engine, which the Fire Department had shined up for the 190th Anniversary party. At a special Town Meeting, a special ordinance on hazardous waste disposal, which was proposed by the Conservation Committee, was voted. This meeting also voted to have a committee formed to review all previous town ordinances. Through the effort of the Recreation Committee, and the generosity of Crotched Mt. Rehabilitation Center, lessons in tennis were taught by Alex Dreese.

July saw John Brodie's dream become a reality! His Instant Shelter---The Egg---was installed on his property and the Brodie Family Corporation, Biosphere Corporation, was in business. The town grounds have been readied for summer visitors---with the added touches of beauty which the flower boxes at the Town Offices, arranged by Mrs. John D. L. Sullivan, and the marigold patch, given annually by the Grange and planted by Gardner Glover, on the Meeting House grounds. With pride we show our town and historical Meeting House. As a great summer breeze wafted across the town common, many townsfolk and their guests enjoyed a delicious chicken barbecue and band concert on July 19 during the first Old Home Day, sponsored by the Recreation Committee. Free swimming lessons were again offered the Greenfield children by Camp Union, where for the first time girls were included in their regular summer camp program. The redecoration of the downstairs hall of the Meeting House was completed. This was the community project of the Greenfield Woman's Club, who received financial assistance on this project from the Grange, the Women's Fellowship, the Ridge Runners, and the former Town Improvement Association.

In August, there was a very special "happening." Five generations of the Herman Hadley family gathered from Minnesota, New Jersey, Vermont and Massachusetts for a reunion and celebrated three family birthdays. August also saw Greenfield experiencing growing pains. As East Coast Steel began to expand, the abutters were annoyed with excessive noise and noxious fumes. These difficulties have hopefully been eliminated with adjustments in schedules and further building enclosures.

A Men's Club has been formed and they are helping members of the Historical Society clean up the Fletcher and Whittemore cemeteries. The Conservation Committee has been active this year. They have completed an on-site study of all wetland areas to determine which ones will qualify for State protection under the "Prime Wetlands Act." The Conservation Commission has also set up and is maintaining an Acid Precipitation Test Station as a part of the Citizens Task Force, sponsored by the State Association of Conservation Commissions.

The Annual Harvest Fair of the Woman's Club was an attractive as well as a financial success. The proceeds of this venture, held each October, are used for a community project. A new business arrived in October. Richard Metivier and Robert Nichols have teamed up, also involving both of their families, to form Foxfire Enterprises, the sale of woodstoves.

Several plumes for the institution of marriage have been gathered in Greenfield, Gladys and Lloyd Tewksbury celebrated their 40th wedding anniversary and Evelyn and Ben Sanford celebrated a Silver Anniversary of twenty-five years.

News that the School Board had voted to remove the cupola on the Greenfield School aroused the historically-minded. After a brief skirmish and several open board meetings, the cupola was saved and will be repaired. The Library Trustees ran a very successful Monday evening film series during November. Judd Gregg was singled out as one of 73 promising young House Freshman in the Congressional Insight Newsletter which is affiliated with the Congressional Quarterly.

The second Snowflake Fantasy Fair, sponsored by the Women's Fellowship, an artistic and financial success, heralded snow and more snow. December also brought news of changing positions for two prominent young men and a loss to Greenfield of interested, involved citizens: The Reverend Alexander Dreese, not only the minister of the church, but involved with the Recreation Committee and Crotched Mt. Protestant Chaplain, and his wife, Becky, the Town Librarian, church organist and Girl Scout leader. William Roots, active in the Fire Department, has served on several town committees, and his wife, Sue, President of Women's Fellowship and on the Rescue Squad. Greenfield will miss them. Active Brownies, Girl Scouts and Cub Scouts have added to the enrichment of the town. The Recycling Center is still presenting problems, but is much improved. The Sportsmen's Club has been revitalized and is now working toward a club house on their property. Greenfield closes this year with a population of 958, with 326 children in the Conval School system.
